(b) The approving authority may approve a site specific development plan upon such terms and conditions as may reasonably be necessary to protect the public health, safety, and welfare.

(d) A site specific development shall be deemed approved upon the effective date of the approval authority's action or ordinance relating thereto.

(e) The establishment of a zoning vested right shall not preclude the application of overlay zoning that imposes additional requirements but does not affect the allowable type or intensity of use, or ordinances or regulations that are general in nature and are applicable to all property subject to land-use regulation by the Town, including, but not limited to, building, fire, plumbing, electrical, and mechanical codes. Otherwise applicable new or amended regulations shall become
effective with respect to property that is subject to a site specific development plan upon the expiration or termination of the vested right in accordance with this chapter.

(b) Notwithstanding the provisions of subsection (a), if the authority to issue a particular zoning or land use permit or approval has been delegated by ordinance to a board, committee or administrative official other than the Board of Commissioners, Board of Adjustment, or other planning agency designated to perform any or all of the duties of the Board of Adjustment, in order to obtain a zoning vested right, the applicant must request in writing at the time of application that the application be considered and acted on by the Board of Commissioners or the Board of Adjustment following notice and a public hearing as provided in G.S. 160A-364.

(c) In order for a zoning vested right to be established upon approval of a site specific development plan, the applicant must indicate at the time of application, on a form to be provided by the Town, that a zoning vested right is being sought.

(d) Each map, plat, site plan or other document evidencing a site specific development plan shall contain the following notation: "approval of this plan establishes a zoning vested right under G.S. 160A-385.1. Unless terminated at an earlier date, the zoning vested right shall be valid until (date)."

(e) Following approval or conditional approval of a site specific development plan, nothing in this chapter shall exempt such a plan from subsequent reviews and approvals to ensure compliance with the terms and conditions of the original approval, provided that such reviews and approvals are not inconsistent with the original approval.

(f) Nothing in this chapter shall prohibit the revocation of the original approval or other remedies for failure to comply with applicable terms and conditions of the approval or the zoning ordinance.
J-5  DURATION
(a) A zoning right that has been vested as provided in this chapter shall remain vested for a period of two years unless specifically and unambiguously provided otherwise pursuant to subsection (b). This vesting shall not be extended by any amendments or modifications to a site specific development plan unless expressly provided by the approval authority at the time the amendment or modification is approved.

(b) Upon issuance of a building permit, the expiration provisions of G.S.160A-418 and the revocation provisions of G.S. 160A-422 shall apply, except that a building permit shall not expire or be revoked because of the running of time while a zoning vested right under this section is outstanding.

(a) at the end of the applicable vesting period with respect to buildings and uses for which no valid building permit applications have been filed;

Compensation shall not include any diminution in the value of the property which is caused by such action;

(e) upon findings by the Board of Commissioners or Board of Adjustments, by ordinance after notice and a hearing, that the landowner or his representative intentionally supplied inaccurate information or made material misrepresentations which made a difference in the approval by the approval authority of the site specific development plan; or

(f) upon the enactment or promulgation of a State or federal law or regulation that precludes development as contemplated in the site specific development plan, in which case the approval authority may modify the affected provisions, upon a finding that the change in State or federal law has a fundamental effect on the plan, by ordinance after notice and a hearing.
